Compellent's world-class services organization is a single point of accountability that delivers a superior customer experience throughout the product lifecycle.

Extraordinary Results: Built On Storage DNA

Industry Expertise, Proven Business Success

From developing the industry's first SAN to inventing storage virtualization, Compellent's founders have a history of building successful storage businesses.

Impressive Financials

Backed by multiple investors including the venture capital arm of Cargill, which generates revenues of \$75 billion, Compellent more than doubled revenue in 2006.

Widespread Industry Recognition

Compellent's award-winning SAN consistently tops the competition in technology reviews and continues to garner acclaim from trusted industry analysts.

Customer Excitement

Compellent's SAN has attracted more than 600 customers since its introduction in early 2004. Customers using Compellent's breakthrough products have reduced storage costs up to 74 percent, cut storage administration time in half and ensured continuous data availability.

NAMED 2006 "BEST SAN"

"Storage Center offers features that were only available on million-dollar systems a year ago."

EMERGING VENDORS #1 STORAGE STANDOUT

"One of the advantages for customers buying Compellent is it leaves a bigger portion of the IT budget for services aimed at driving more value."

VISIONARY ON GARTNER MAGIC QUADRANT

"Coupled with high product attractiveness and aggressive prices, Compellent is gaining market visibility and showing revenue growth."
